Oracle Academy Add Faculty Account Registration
Quick Guide

To add your faculty account to your institution is easy. Check the few steps below and get started:

- In order to register for an Oracle Academy faculty account:
  - you must be employed by your institution as a **faculty member or administrator** and
  - you must have an **Oracle Account**.

All Oracle Academy membership applications are reviewed and validated by Oracle to ensure:

- The faculty member is eligible for membership
- The faculty member applying for membership is employed by the institution

Any applications deemed to be fraudulent will be rejected by Oracle Academy and may be forwarded to the appropriate legal authorities for further investigation.
